

ARTS INTEGRATION & STEAM Accelerator

This affordable membership license provides educators with everything they need to **add rocketfuel to their teaching and boost student success** with Arts Integration and STEAM.

Inside, you'll find accredited courses, conferences, and resources, along with a full curriculum with over 215 lessons, assessments and powerpoints.

Plus, you'll get access to our incredible community to help you troubleshoot your challenges and get tailored advice and support for your next steps. **This is everything you need to implement and sustain arts integration and STEAM.**

Includes:

- New Workshops Each Month - Unlimited PD hours!
- 5 Accredited Online Courses
- Every Online Conference
- Professional Resource Library
- K-12 Arts Integration and STEAM Curriculum
- Monthly Digital Magazine
- Community of Support

I Couldn't Teach Any Other Way

"My students perform better, enjoy my lessons, and love the connections to the Arts and the other disciplines. In my classroom, it may even come across as "ordinary". I don't think I could teach any other way. Grateful.....and loving teaching."

— BETTY JO MOORE, Middle School Science Teacher
